

WOMEN'S LEADERSHIP PROGRAM

Dion Leadership's Women's Leadership Program is a multifaceted, cohort-based intensive learning experience that provides targeted opportunities for personal discovery, skill development, and relationship building. Participants gain deep and meaningful insight into their personal effectiveness through 360 feedback, which provides a foundation for creating actionable development goals. Discussions of gender differences in the workplace and modules on conflict, influence, accountability, and courageous leadership provide challenging perspective and build essential skills. Participants will also learn strategies for growing their professional networks and practice methods of self-care and mindfulness. Personal development planning is supported beyond the session with opportunities for individual coaching.
