

EVERYTHING DiSC WORK OF LEADERS® OVERVIEW

Based on the book *The Work of Leaders* by Julie Straw, Mark Scullard, Barry Davis, and Susie Kukkonen, Everything DiSC Work of Leaders® approaches leadership as a one-to-many relationship. It focuses on tangible steps directed at leading a group or organization toward desired outcomes. Using the framework of Vision/Alignment/Execution, Work of Leaders encourages leaders to understand their leadership behaviors and how they impact their effectiveness.

LEARNERS WILL:

- Discover the Work of Leaders process
- Learn about the three drivers of Vision, Alignment, and Execution and discover the best practices that support each of the three drivers
- Explore personal strengths and challenges regarding these drivers and best practices, and create an action plan for improvement

WHY THIS MATTERS:

Leaders are expected to achieve results in their areas or departments that ultimately move the organization toward its goals. The Vision/Alignment/Execution framework, with its corresponding drivers and best practices, provides a clear, straightforward approach to making that happen.
